FINE ART + FASHION brings together lovers of art and fashion with award-winning artists in the visual arts and in fashion design. Along with Title Sponsor, Neiman Marcus, NBAF presents this premiere event designed to showcase the top fashion designers, visual artists and student fashion designers. This event features The Art of Fashion runway show curated by Neiman Marcus.

This spectacular evening of fun, fashion, and art has far-reaching benefits. Your support will not only fund NBAF’s in-school arts education for youth (in partnership with middle and high school students attending entities within the Atlanta Public School system), but also the Fashion Forward Student Design Program — designed to accelerate the studies of students enrolled in a college fashion design degree program. This year, the event will include a unique art exhibit by students enrolled in the NextGen Artist program.

Like all of us who support arts education initiatives, we know that — ART IN EDUCATION IS A GOOD LOOK!
