NBAF

Empowering Creativity

Introducing the NBAF Artist Ball, an exciting new evolution of the annual NBAF Gala, celebrates, uplifts, and amplifies the artistic creativity and talent of the Black arts community.

By fostering critical appreciation, intentional financial investment, and civic advocacy of the arts, the NBAF Artist Ball seeks to inspire deeper engagement with Black art and the important work that it does in our community. This interactive celebration of Black art also builds the support necessary for Black artists and arts organizations to continue to serve our respective communities into the future.

Throughout NBAF's 36 years of arts programming, we've come to know the creativity, grit, and determination it takes artists to survive the changing arts funding landscape. NBAF works tirelessly to counteract Georgia's standing as last in the nation in arts funding by investing over \$600,000 each year in the Black arts community through free public programming, in-school youth arts education, and artist grants across diverse disciplines. With your support of the NBAF Artist Ball, we will continue to serve as a vital resource for the support and presentation of Black art for generations to come.

About NBAF

Founded in Atlanta in 1987 by the Fulton County Arts Council under the guidance of the Fulton County Board of Commissioners, NBAF is the oldest multidisciplinary arts organization in the United States focused exclusively on the arts and artists of African descent. NBAF realizes its mission through partnerships with cultural and educational organizations, governments, individuals, and corporate and private funders – partnerships that enable us to create pathways to success in the arts and in society. The United States Congress honored NBAF as a "national treasure" in 2008, and in 2018 NBAF received the Governor's Award for the Arts and Humanities in Georgia.
